VOLVO CONSTRUCTION EQUIPMENT

relies on TECHNICOR for quality parts

*When road graders were redesigned in 1988, **TECHNICOR** played a pivotal role with engineering expertise and prototypes for critical wear positions. The re-design became an undisputed success. Over these last 20 years, VOLVO has relied on **TECHNICOR** as their supplier of choice for thermoplastic DURAMIDE® parts used in grader production world-wide. We'd welcome the opportunity to contribute our expertise to your company's success story !*
