

CHEF'S CHOICE CUTTING BOARDS

Technicor *Chef's Choice* cutting boards are made from HDPE (high-density polyethylene) sheets designed for commercial and consumer food cutting. The textured matte finish on both sides prevents knives from slipping and will not dull blades.

CHARACTERISTICS

- Non-absorbent
- Dishwater safe
- Two usable sides
- No breaks, cracks, or splinters
- Stress-relieved and flat
- Less costly than UHMW-PE
- Meets FDA, USDA, NSF requirements

CUSTOM-MADE FOR YOU

Technicor's machine shop will fabricate to your specifications, the correct shape, size, thickness, drain-grooves, fastening & holding tabs, and other features you want to specify to accommodate your specific needs.

When you think of plastics, think of Technicor Precision Plastics.
