TechTips

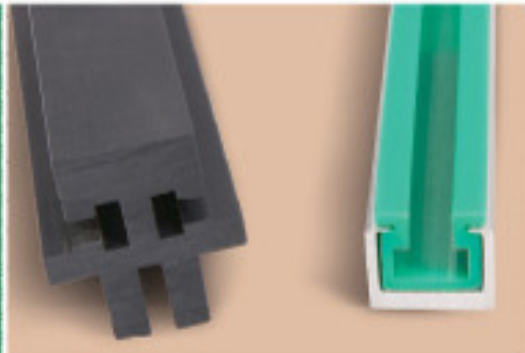

LARGE DIAMETER UHMW ROD

Technicor can now supply you with UHMW solid rod up to 12" diameter. Until recently the largest commercially available rod was 10" dia. Solid rod is extruded in nominal large sizes 6", 7", 8", 9", 10" and 12" and sold by the foot. Stock product is "natural"

in colour, some sizes are stocked in selected colours, and all can be extruded in custom colours based on minimum production runs.

When you think of plastics, think of Technicor Precision Plastics.
